

MOBILE RACKS

CAGES, RACKS FOR CONVENTIONAL ANIMAL HUSBANDRY

Take advantage of the Zoonlab experience of more than 50 years in the manufacture of mobile racks for cage placement. Through our careful selection and fabrication of section tubes, particularly with hairpin bracket design, any dirt traps and surfaces prone to dust accumulation

will be avoided. Fitted with 4 swivel castors 100 mm \varnothing , 2 of which equipped with locking device, racks can be placed at any desired position. Racks are made of high quality stainless steel AISI 304. Likewise, the housing of the swivel castors is made of stainless steel.
